Project: New front porch

1. My family will be replacing the existing concrete porch with wood porch to allow proper room for door to open while standing on top door level space, replace irregular stairs with proper stair rise. Porch will be 10' long across the front of the house by 5' wide to allow standing while door swings open. Staircase will be 7' wide across the front, railings on both sides.

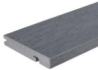

Decking will be grey with white railing and black spindles to accent the colors on the home.

2. Suncrest gardens will add a low decorative picket fence across front of yard. Picket will be white.
3. Suncrest gardens will add landscape/plantings to enhance appearance.
