

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A LICENSE AGREEMENT TO PERMIT THE INSTALLATION OF PAVEMENT AT 7599 WOODLAND AVENUE, HUDSON, OHIO 44236.

WHEREAS, this Council desires to enter into a License Agreement with Craig Hritz and Charlotte English (“Licensee”) for installation of a residential driveway to be constructed within the limits of a City-held storm water and utility easement on the Licensee’s premises at 7599 Woodland Avenue in the City where the easement rights would not otherwise permit such installation.

NOW, THEREFORE, BE IT RESOLVED by the Council of Hudson, Summit County, State of Ohio, that:

Section 1. The City Manager is authorized to execute a License Agreement with Craig Hritz and Charlotte English for the use of land within a certain City-held easement for installation of a residential driveway as set forth in the License Agreement attached hereto and incorporated herein fully as if by reference as “Exhibit A.”

Section 2. This Council finds and determines that the land area permitted to be used by the License Agreement will not interfere with the City of Hudson’s use of the easement at this time.

Section 3. It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Resolution were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action were in meeting open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

Section 4. This Resolution shall take effect and be in force from and after the earliest period allowed by law.

**LICENSE AGREEMENT**

This Agreement is entered into as of the \_\_\_\_ day of \_\_\_\_\_, 2020, by and between City of Hudson, an Ohio municipal corporation (“Grantor”) and Craig Hritz and Charlotte English, (“Grantees”).

**W I T N E S S E T H:**

WHEREAS, Grantor is the owner of an easement upon certain land situated in the City of Hudson, Summit County, Ohio which easement is partially upon Grantees’ property as shown on Exhibit A attached hereto and incorporated herein (hereinafter the easement is referred to as the “Easement Premises”); Grantees’ property is more fully described in the legal description attached hereto as Exhibit B); and

WHEREAS, Grantor desires to grant to Grantees a non-exclusive license to construct, erect and maintain a driveway upon the Easement Premises, as depicted in Exhibit B, for a residential purpose of the grantees; and

WHEREAS, the City Engineer has determined that the proposed improvements are not likely to interfere with the purposes of the Easement Premises.

NOW, THEREFORE, in the consideration of the sum of One Dollar (\$1.00) and other valuable consideration received to the full satisfaction of Grantor and in further consideration of the covenants, promises and agreements set forth herein, the parties agree as follows;

1. Subject to the terms and conditions set forth in this Agreement, Grantor does hereby grant to Grantees a non-exclusive license (the “License”) of ingress and egress, over and across that portion of the Premises outlined in Exhibit B for the purpose of using, constructing, installing, maintaining, and repairing a driveway.

2. The License will commence on the date first written above and shall terminate automatically upon the date Grantees voluntarily abandon or remove the improvements, whichever occurs first. Prior to such automatic termination, either Grantor or Grantees may terminate this Agreement effective upon thirty (30) days written notice to the other party. Upon termination of the License, Grantees' right to use the Easement Premises for the improvements purpose stated herein shall cease.

3. Grantees shall not be permitted to commit any waste or use the Easement Premises for purposes that interfere with the purposes of the easement or conflict with the ordinances of the City; and in the event the improvements may need to be removed, either permanently or temporarily, for purposes of use of the easement, Grantees shall be responsible for such removal and replacement or re-installation, if any, and shall bear the cost thereof. Upon written request by Grantors, Grantees shall, at their own expense, temporarily remove specified sections of the improvements for the purpose of access and use of the easement.

4. Grantees shall, at their own expense, repair and maintain the improvements in a good, safe, and clean manner, in compliance with all applicable laws and regulations of the appropriate governmental authorities, all at Grantees' sole cost of expense.

5. Grantees shall indemnify, defend and hold Grantor, its successors, representatives and assigns, harmless from and against all actions, claims, damages, liabilities, expenses, judgements and liens including, but not limited to, reasonable attorney's fees occurring or arising by reason of use of the License by Grantees or their agents, employees, invitees or contractors arising in connection with or attributable to the use, construction, installation, maintenance, inspection, repair or replacement of the improvements. Grantees shall be solely responsible for any and all warnings to invitees of any and all hazardous, dangerous or potentially harmful conditions.

6. This Agreement may be assigned by Grantees with the written consent of the City Manager.

7. The License granted herein is subject to all restrictions, conditions, reservations, limitations, covenants, rights of way and easements of record.

8. The License granted herein is subject to any regulations or restrictions in the Codified Ordinances of the City, or to any variance granted therefrom by the proper City authority.
