Discussion considering the proposed Hudson Public Power Solar Project ROI and potential site locations.

Executive Summary: Council requested discussion considering the proposed Hudson Public Power Solar Project's potential ROI and system site locations.

Legislative History

N/A

Purpose & Explanation

Attached are the return on investment (ROI) calculations and potential project sites for the proposed HPP solar system. Staff seeks discussion and Council direction regarding the interest in proceeding with the project and a decision on the site location. Upon project approval and selection of the system site, staff will seek formal approval to work with Courtney and Associates, Public Utility Consultants to develop and solicit for project RFP's and power purchase agreement.

Timing Considerations

N/A

Fiscal Impact

Currently Budgeted
 Supplemental Appropriation Required
 Appropriation Not Required.

Suggested Action

Council direction considering the project.
