### Continued Discussion of a New Public Works Facility Project

**Brief Description:** Staff wishes to continue the discussion with City Council regarding a new Public Works facility. Staff with review past information which has been attached and propose new ideas as to potential sites for a new facility.

### Legislative History

File 18-0014 - Council discussion of project needs assessment and recommendation to seek professional services for design and construction management service; Council workshop of Feb. 13, 2018.

File 20-0015 - Council presentation of potential sites and cost opinions for a new Public Works facility.

### Purpose & Explanation

Staff will summarize the initial project information and present project options and recommendation to move the project forward.

The project story map and site analysis can be accessed at the link below

<https://storymaps.arcgis.com/stories/990ece729e0347ab8444f07b5f6db5fb>

### Timing Considerations

In 2021 the current lease term at the Georgetown Road Facility will be entering its third year of a four (4) year agreement. This impacts the timing of a new facility or the purchase and renovations of land and facilities on

Georgetown Road.

**Fiscal Impact**

Currently Budgeted (Account #, \$)

Supplemental Appropriation Required (Account #, \$)

Appropriation Not Required.

**Suggested Action**

Staff seeks City Council input direction regarding moving the PW Facility Project forward.
