Legislative History

Resolution 18-188, Permission to bid and/or obtain competitive pricing.

Purpose & Explanation

This material contract was publicly bid via Bid Express in September 2019. No bids were received which is likely due to the current volatility of the salt markets. The Univar Company has provided a unit cost which will be locked in through December 31, 2020. The contract does NOT require a minimum purchase and provides an interim and emergency salt source if needed.
