Legislative History

Resolution 15-196 to advertise for bids including road salt conveyance services.

Purpose & Explanation

The City will use an estimated 9,000 tons of road salt this season in carrying out the snow and ice control program. The Public Works Department has received road salt conveyance quotes from both Community, University and Education (CUE) public purchasing program vendor Cargill Incorporated, and Kolenz Transport, Inc. to convey bulk road salt in to the salt dome. Below is a price breakdown comparison. The annual budget for road salt conveying services is \$35,000.

Vendor 1: Conveyed by CUE vendor, Cargill Incorporated: \$4.00/ton

Vendor 2: Conveyed by Kolenz: \$3.30/ton (net savings over Vendor 1 = \$0.70/ton x 9,000 tons = \$6,300)

Timing Considerations

Upon City Council approval, the Public Works Staff will execute the purchase agreement for contract road salt conveying services for the 2016-2017 winter season.

- Appropriation Not Required.

Suggested Action

Based on submitted unit pricing for the 2016 - 2017 snow season, staff recommends that City Council authorize the City Manager to enter into a contract for bulk road salt conveying services with Kolenz Transport, Inc., 3566 State Road-Suite 3, Cuyahoga Falls, OH 44223, at the unit price of \$3.30 per ton.
