A RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH THE CITY OF STOW FOR COOPERATION AND COST SHARING FOR THE PROCUREMENT OF SIGNAL POLES FOR THE SEASONS ROAD INTERCHANGE PROJECT AS PART OF THE STATE ROUTE 8 RECONSTRUCTION PROJECT (PID 76721); AND DECLARING AN EMERGENCY.

Executive Summary: This is for the purchase of signal poles associated with the signal improvements at the Seasons Road Interchange as part of the larger SUM 8-7.81 Reconstruction Project.

Legislative History

18-22 - Authorization to Advertise for bids and enter into a contract for the procurement of signal poles.

Purpose & Explanation

As part of the SUM-8-7.81 Reconstruction Project, ODOT will be installing traffic signals at the Seasons Road interchange. The City of Hudson will be purchasing the signal poles for this project with the City of Stow sharing 50% of the local cost. The cost estimate for this project is \$39,000. This purchase of the signal poles by the locals was part of the agreement with ODOT and Hudson/Stow to include these improvements in their overall project. The project to rehabilitate SR 8 from Graham Road (Stow) to just north of SR 303 interchange is entirely funded by ODOT with no local match, not including this exception.

Timing Considerations

Once this Resolution is approved, City staff will have the Cooperation and Cost Sharing Agreement executed

by the appropriate parties.

Fiscal Impact

- ☒ Currently Budgeted (\$50,000-503 fund) (Estimated cost of SR 8 project \$50,000,000)
Supplemental Appropriation Required
Appropriation Not Required.

Suggested Action

Staff recommends that City Council approve the Cooperation and Cost Sharing Agreement between the City of Stow and the City of Hudson for the procurement of signal poles. We are requesting an emergency clause be added to this due to the lead time for the signal poles.

Submitted by,

Jane Howington, City Manager
Thomas J. Sheridan, PE, PS, Assistant City Manager-City Engineer
