A RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A PURCHASE AGREEMENT WITH MOTOROLA SOLUTIONS, INC. FOR THE PURCHASE OF A POLICE/DISPATCH RADIO CONSOLE SYSTEM.

Brief Description: A resolution authorizing the City Manager to enter into contract with Motorola Solutions and the expenditure of \$487,922. This is for the purchase of a replacement dispatch radio console system, professional implementation services, and extended warranty services for a period of five years.

Legislative History

There is no legislative history for this request.

Purpose and Explanation

This is to replace the obsolete Zetron radio equipment presently installed in the police building since it was constructed over seventeen years ago. The new equipment replaces all the obsolete push-button radio equipment in dispatch and moves those radio resources onto easily manageable flat panel screens. When used with the 800 MHz SCA8RRS / MARCS system, it allows for advanced features, such as the prioritization of radio traffic, patching of talk groups, announcement groups, call alerting, etc. This solution provides (2) two MCC7500s and (1) one MCC7500E (backup) as well as implementation and warranty services needed to support them for a period of five years. This proposal is based on and subject to the terms and conditions of Ohio State Term Schedule Contract 573077 and shall remain valid for a period of 90 days.

Legal Authority for Proposed Legislation

Pursuant to Charter Section 6.04:

Competitively bid and advertised for two consecutive weeks

☒ Joint or Cooperative Purchase Program

Professional Services
Other

Fiscal Impact

- ☒ Currently Budgeted (2019 Budget)
Supplemental Appropriation Required
Appropriation Not Required

Does this legislation require use of an emergency clause?

- Yes -
☒ No

Suggested Action

Staff recommends approval of this resolution.
