

A RESOLUTION AUTHORIZING THE CITY MANAGER TO ADVERTISE FOR BIDS AND TO ENTER INTO A CONTRACT FOR THE VALLEY VIEW CULVERT PROJECT WITH THE LOWEST AND BEST BIDDER.

WHEREAS, City staff has been notified that properties abutting a stream at Valley View Road are prone to flooding during heavy rain events;

WHEREAS, upon inspection, City staff has determined that two (2) failing culverts, measuring 15” and 18”, are located on private property downstream of the culvert under Valley View Road; and

WHEREAS, these culverts obstruct water flow during heavy rainfall, contributing to the flooding issue; and

WHEREAS, in order to address this problem, City staff seeks to replace the two failing concrete culverts, which will improve stream flow and reduce future flooding near Valley View Road; and

WHEREAS, the project is being designed in-house by City staff and is scheduled for construction in 2025; and

WHEREAS, the estimated project cost, with a 10% contingency, is \$50,000; and
