Regarding the subject case for parking lot at Robinson Field corner of Stow and Ravenna St. What is the estimated cost of this project. Why does Hudson need to construct a parking lot for two picnic tables at a park with no amenities whatsoever. This appears to be a tremendous waste of taxpayer money. If Hudson residents want to have a picnic they will go to Hudson Springs Park, not two tables in the middle of a scrubby area next to two busy roads.

John Bonham
2835 Ravenna St
Hudson
