

Clinton Crossing Engagement Schedule | 2026

Mission Statement: The mission of the Clinton Crossing initiative is to sell the City-owned site at maximum achievable value, fully recouping the City’s investment while delivering high-quality housing and public space shaped by the community.

● GENERAL PUBLIC ENGAGEMENT (ONGOING)

Ongoing opportunities for engagement in several online and in-person formats in addition to the scheduled events below. Project website with digital polls & comments; self-guided walking tours; staff office hours; engagements with staff at community events; etc.

Design

Community Boards & Organizations Charrette | Invite-Basis (June 10)

Complete charrette design exercise; small groups create several draft plans, & the full group reviews. *Expected to include leadership of more than 60 Hudson boards and organizations.*

Resident Charrettes | Registration-Basis (June 17)

Complete charrette design exercise; small groups create several draft plans, & the full group reviews. Two (2) sessions are to be offered at different times of day to encourage attendance.

Review

Council Subcommittee (June 23, Tuesday)

Charrette Summary Presentation & Open House (July 1)

Consultant presents the rough concepts created at charrettes, followed by an open house for public comments to determine preferred concepts that should be refined into draft plans.

Revise

Public Open House #1: Input on Draft Concept Plans (July 22)

Open house for public to review three (3) concept plans with cost estimates. One (1) overall preferred plan is determined based on public rankings and input, with additional input collected about the preferred features from each plan.

Refine

Council Subcommittee (August 7, Friday)

Public Open House #2: Input on a Revised Concept Plan (Aug 22)

Open house for public to review one (1) revised plan with cost estimates, 3D modeling and watercolor (this plan will be a revised version of 1 plan from the previous open house, but may incorporate components from each concept plan based on the features that residents preferred the most).

Planning Commission Introduction (Sept)

Planning Commission Public Hearing (Oct)

Planning Commision Review (Nov)

Council Review/Acceptance (Nov 2026-Jan 2027)
