# WHY REPLACEMENT IS NEEDED

The homeowner is looking to update and replace 6 Windows. All units changing from Double Hung with Grilles to Picture Windows without Grilles.

The Windows are located on the front, back, and side of the home, on the first floor. All windows are drafty, difficult to operate, and not energy efficient.

The homeowner would like to update the windows to modern standards, the ease of operation and increase the energy efficiency while maintaining the traditional look of the home.

Our goal is to keep to the original look of the home while updating the design so that the homeowners can use each room with more comfort and ease.

## Fibrex 20 Year [Durability Study](#)

Click on “Durability Study” to watch 20 Year Durability Test

## What are Renewal by Andersen® windows made of?

All of our windows are made of Fibrex® material, a revolutionary composite made from reclaimed wood fiber blended with a polymer. This gives our windows the strength and durability of wood and the low-maintenance features of vinyl, while greatly limiting thermal transmittance that can be found in other window materials such as metal.

**Unlike many other window materials, Fibrex composite material won't flake, rust, blister, peel, crack, pit, or corrode.<sup>1</sup> It is also two times stronger than vinyl and resists warping and bowing. Never worry about scraping or painting your windows again.**

ENGINEERED WITH  
**FIBREX**  
MATERIAL

ANDERSEN  
EXCLUSIVE  
FEATURE

### Smart Materials

Fibrex material is twice as strong as vinyl, so weathertight seals stay weathertight.

### Color Choice

Our unique process fuses color to Fibrex material for long-lasting beauty. And it offers dark exterior colors not available on most other replacement windows.

### Exceptional Comfort

Fibrex material blocks thermal transfer nearly 700 times better than aluminum to help reduce heating and cooling bills.

### Outstanding Durability

Fibrex material retains its stability and rigidity in all climates.<sup>1</sup>

## Replace Old Expectations

We believe your Renewal by Andersen® experience is about more than just windows. It's about caring for you and your home, every step of the way.

We own our entire process, from start to finish. What does that mean for you? It means we listen. It means we measure, we build, and we install. And it means we promise to stand by our product, today, tomorrow, and years into the future.

## A Heritage That Looks to the Future

For more than a century, Andersen® products and patents have revolutionized the window and door industry. We pair that legacy of quality and innovation with a skilled team of specialists who are dedicated to making sure your window replacement is the best home improvement project you've ever done.

## From Our Family to Yours

Your home is unique. It shouldn't be treated like every other house on the block. This is the place where you and your family are making memories and celebrating moments, both big and small. We want to make sure your new windows suit your home life.

You only want to replace your windows one time, so who you choose to do your project is important. When you work with Renewal by Andersen, you know you'll get an exclusive product that is durable, customizable, and beautiful. And you know we'll take care of you – and your home – from start to finish, and beyond.

*the best* **PEOPLE**

*a superior* **PROCESS**

*an exclusive* **PRODUCT**

From consultation to installation, Renewal by Andersen offers one-company accountability backed by a legacy of excellence. We're proud to work with the best people, offer a superior, start-to-finish replacement process, and provide you with exclusive, industry-leading products. **THAT'S RENEWAL BY ANDERSEN SIGNATURE SERVICE.**

# Preserving the historic architecture visually & efficiently!

## PICTURE WINDOWS

Transform your home with picture windows that can stand alone beautifully or can be combined with other window styles for added curb appeal.

### ADAPTABLE

Match or change your home's appearance by combining picture windows with other windows.

Picture Window

Fixed Picture Window

Combination Window

### STRONG

Using strong Fibrex® material frames, our picture windows easily support the weight of the heavy glass commonly needed for large picture windows.

### VERSATILE

Like all of our windows, picture window glass is available tempered, tinted, or in a wide variety of decorative patterns.

## How Window Performance Is Rated

### Energy Efficiency Rating

To help homeowners, in 1992 the National Fenestration Rating Council® (NFRC) established an independent third-party rating, certification, and labeling program for windows, doors, and skylights (fenestration products).

|  |   |
|--|---|
| <br>National Fenestration<br>Rating Council®  | <br>RENEWAL<br>by ANDERSEN<br>WINDOW DOOR SKYLIGHT |
| Casement Picture Window<br>Dual-Pane Low-E4® SmartSun™<br>Coating with Argon<br>Product Type: Fixed  |   |
| ENERGY PERFORMANCE RATINGS   |   |
| U-Factor<br><b>0.26</b><br>(U.S.-I-P)  | Solar Heat Gain Coefficient<br><b>1.48</b><br>(Metric/SI)   |
| ADDITIONAL PERFORMANCE RATINGS   |   |
| Visible Transmittance<br><b>0.53</b>   | Air Infiltration<br><b>0.00</b>   |
| <small>Manufacturer declares that these ratings conform to applicable NFRC procedures for determining window product performance. NFRC ratings are obtained for a fixed unit of maximum size and a specific product size. NFRC does not recommend any product and does not warrant the suitability of any product for any specific site. Renewal by Andersen is not a product performance guarantee.</small> |   |

Sample label shown

Warm Weather Performance

Cool Weather Performance

Renewal by Andersen displays the NFRC label on all of its windows. This label means that the entire window unit has been rated and certified, not just the center of the glass or individual components. See our Energy Efficiency brochure for additional information.
