EXCESS GENERAL FUND CARRYOVER FUND BALANCE

The Finance Department calculates the estimated year end unencumbered General Fund balance as part of the annual budget and Five-Year Plan preparation. The actual unencumbered General Fund year-end balance is ordinarily greater than what was estimated due to conservative budgeting causing an “excess carryover balance”.

City Council passed Ordinance 24-152 which designates at least 50% of the General Fund excess carryover fund balance for infrastructure. The excess balance at 12/31/2025 was \$3,311,546; 50% is \$1,655,773.

This item was discussed at the January 17, 2026 Council retreat. The decision was made to wait until mid-year to first see if income tax collections were meeting budget before deciding which projects would be funded with the excess carryover.

In the meantime, staff is providing a monthly update of General Fund expenses/commitments that were not part of the original 2026 budget. These unbudgeted expenses would reduce the excess available carryover balance.
