

Clinton Crossing Engagement Schedule I 2026

Updated 7.24.26

GENERAL PUBLIC ENGAGEMENT (ONGOING)

Ongoing opportunities for engagement in several online and in-person formats in addition to the scheduled events below. Project website with digital polls & comments; self-guided walking tours; staff office hours; engagements with staff at community events; public meetings; etc.

Design

Community Boards & Organizations Charrette | *Invite-Basis* (June 10)

Complete charrette design exercises; small groups create several draft plans, & the full group reviews. Invites to leaders of more than 60 Hudson boards and organizations. Public welcome to attend and observe; however, participation in the June 10th charrette session is limited to the invited community representatives to achieve a cross-section of organizations.

Individual Resident Charrettes | *Registration-Basis* (June 17)

Complete charrette design exercise; small groups create several draft plans, & the full group reviews. Two (2) sessions are to be offered at different times of day to encourage attendance. Public welcome to attend and observe; however, participation in the June 17th charrettes is limited to registered residents (accommodations for walk-ins are not guaranteed). **Registration required.**

Council Subcommittee (June 23, Tuesday)

Open House: Input on 17 Concept Sketch Plans (July 1)

Open house for public to provide input on all 17 concept sketches created by fellow Hudson residents. Determine preferred concepts and specific site uses that should be refined into draft plans. *No registration required.*

Council Subcommittee (July 14, Tuesday)

On-Site Open House: Input on 3 Revised Concept Plans (July 22)

Open house for public to review three (3) concept plans with cost estimates. One (1) overall preferred plan determined based on public rankings and input, with additional input collected about specific preferred features from each plan. *No registration required.*

City Council Workshop - Project Update (July 28)

Council Subcommittee (August 10, Monday)

City Council & Planning Commission Joint Meeting (Aug 10)

Meeting to discuss the site plan review process.

Revise

City Council Workshop - Project Update (August 11)

On-Site Open House: Input on 1 Refined Concept Plan (Aug 22)

Open house for public to review one (1) revised plan with cost estimates, 3D modeling and watercolor (this plan will be a revised version of 1 plan from the previous open house, but may incorporate components from each concept plan based on the features that residents preferred the most). *No registration required.*

Refine

Planning Commission Introduction (Sept)

Planning Commission Public Hearing (Oct)

Planning Commision Review (Nov)

Review

Council Review/Acceptance (Nov 2026-Jan 2027)
