WHEREAS, the City is planning to install a ten (10) foot wide, asphalt trail on the former railroad property corridor between Veterans Way and Barlow Road, also known as the Veterans Rails to Trails 2 Project, PID # 125911 (the “Project”); and

WHEREAS, more specifically, the Project consists of transforming a recently, City purchased, abandoned railroad corridor, into a new multipurpose trail connecting Veterans Way Park to an existing 10-foot sidewalk on Barlow Road near Ellsworth Golf Course; and

WHEREAS, as the result of grant funding which the City successfully sought, the Project costs will be partially paid for with Federal funds at a maximum amount of \$1,100,000 while the City is responsible for all costs above the grant amount; and

WHEREAS, Section 5501.03(D) of the Ohio Revised Code provides that ODOT may coordinate its activities and enter into contracts with other appropriate local public agencies to administer the design, qualification of bidders, competitive bid letting, construction, inspection, and acceptance of any projects administered by ODOT, provided the administration of such projects is performed in accordance with all applicable federal and state laws and regulations with oversight by ODOT; and

WHEREAS, this Council finds that it is in the best interest of the City and its residents to proceed with the Project, make these improvements and proceed without delay to ensure their timely completion; and

WHEREAS, it is necessary to enter into a contract with ODOT to enable the City to proceed with the design and, ultimately, the construction of the Project and to access and expend the grant funds awarded for such Project.
