

## Memorandum

To:       Aparna Wheeler, Clerk of Council  
From:     Greg Hannan, Community Development Director  
Date:     February 3, 2025  
Re:       Request for continuation of an Agricultural District application – Brown Farms

The Community Development Department has reviewed the application of Brown Farms, Sheryl J Brown for the designation of 63.02 acres of land for agriculture use for tax purposes (O.R.C. 929.02).

<b>Parcel</b>	<b>Acres</b>
3004148	18.86
3004151	7.06
3100004	6.03
3004417	4.09
3009208	27.08
<b>Total</b>	<b>63.02</b>

The five lots consist of vacant land being used as a tree farm for timber management. I visually inspected the property and found the above agricultural uses are consistent with the application being submitted to Summit County Auditor. The use of the site being devoted to an agricultural purpose is permitted within the Land Development Code.
