

Office storage:

In addition to the storage in the basement we have off-site storage of additional dental supplies. Images included:

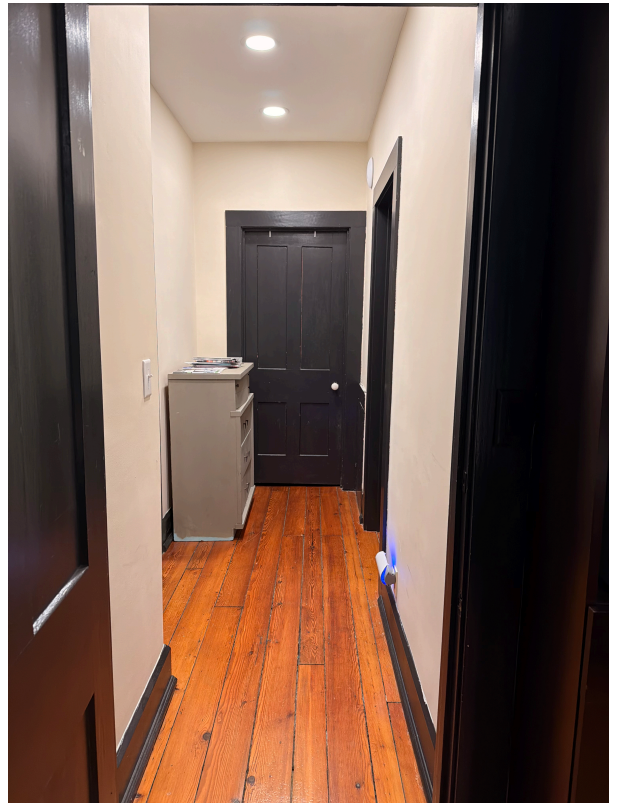

Deliveries at Village Dental:

This is a small example of a delivery received by Village Dental. The back hallway becomes very clogged and it is difficult to maneuver around the space. In order to deliver to the basement the hallway needs cleared and the door needs closed to open the basement door.

Layout of Upstairs Apartment:

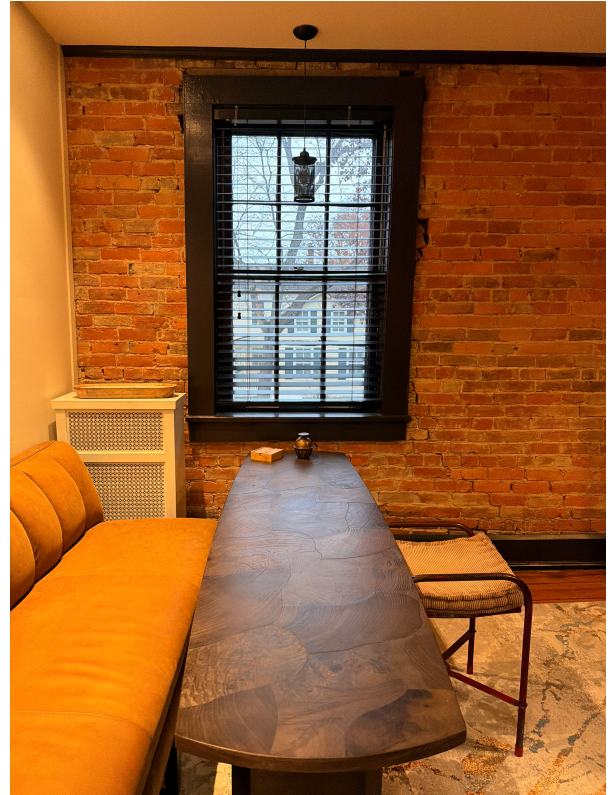

1. Bedroom (behind the closed door) -directly across the hall from the office manager's office

2. Office manager's office, second desk for additional office manager, support staff

3. Kitchen, complete with modest table for eating of staff members

4. Entrance up the stairwell into the living room and family room
