

Summary of Items for Updated Legislation

1. Category-Specific Operational Restrictions

- **Under-Speed Vehicles (USVs)**
 - **Not permitted to operate in the City of Hudson.**
 - Mirrors Tallmadge Codified Ordinances and Ohio Revised Code, which prohibit roadway operation of USVs.
 - *Note:* By definition, USVs have a maximum speed of 15 MPH and are not eligible for roadway use.
- **Low-Speed Vehicles (LSVs)**
 - Permitted on **25 MPH road sections only** (consistent with their 25 MPH design speed).
- **Utility Vehicles**
 - Permitted on **35 MPH road sections.**
- **Mini-Trucks**
 - Permitted on **35 MPH road sections.**

2. Universal Rules for All Permitted Categories

These apply to LSVs, golf carts, utility vehicles, and mini-trucks.

- **No operation after 9:00 PM**
- **Must vacate DORA by 6:00 PM**
 - *Note:* Broader DORA restrictions are deferred pending data review, but this operational rule is included per your direction.
- **Seatbelts required for all occupants**
- **No passengers requiring child restraints**
 - Consistent with ORC 4511.81.
- **VIN Requirement** (no homemade "go-karts")

3. Inspection Requirements

- **Initial HPD Inspection Only**
 - A single pre-operation inspection is required.
- **Inspection Sticker Requirement**
 - Must display the HPD inspection sticker in the designated location on the rear of the vehicle.
- **No reinspection or renewal cycle**
 - No annual renewal.
 - Compliance is tied solely to the original inspection.

4. Items Deferred for Future Review (if Needed)

These will not be included in the current legislative update.

- **DORA operational prohibitions** — pending data collection.
- **State route restrictions** — pending traffic and safety data.
